1. “IPL Dataset – Analyze with PostgreSQL”
From INTERNSHALA TRAINING ONLINE

Skills

Technical Skills

- **Languages**
Python (Intermediate)
R Programming (Intermediate)
- **Frameworks**
Anaconda (Jupyter Notebook)
Google Colab (Python)
RStudio (R)
- **Machine Learning Algorithms**
Linear (Regression),
Logistic (Classification),
Decision Tree, Random Forest
(Regression/Classification)
- **SQL/Visualization & Analytics**
PostgreSQL (Intermediate)
MySQL (Intermediate)
Tableau (Intermediate)
Advance Excel (Advanced)
- **Others Technical Skills**
MS Office (Intermediate)
English Typing (30 WPM)

Soft Skills

- Effective Communication (Hindi & English (Intermediate)
- Workplace Communication Skills

Trainings & Workshops

- Certified Business Analytics, Training & Evaluation Program - Edvancer
Eduventures, Mumbai,
(Dec 2021 – April 2022)
- Certified Tableau Professional, Training –
Internshala Training,
(6 Weeks).
- SQL For Data Analytics, Training –
Internshala Training,
(6 Weeks).
- Working With Advance MS Excel 2016 –
Internshala Training,
(4 Weeks).
